

MEMPHIS COMPONENTS

Letter Of Recommendation

Mr. Markus Schneider worked for our company Memphis Components, LLC in California, USA from May 10th, 2000 until April 01, 2001 as Creative Director.

Memphis Components is a corporation in the computer industry with a presence in the USA, Germany and Hong Kong.

Mr. Schneider was responsible for all advertising activities of the American company as well as many projects for our company headquarter in Bad Homburg v.d.H., Germany.

The wide field of activities included concept, text and design of all advertising materials, including company brochures, folders, and print publications for the US and the European market.

Mr. Schneider also contributed to the success of our expo participations in Germany and in the United States.

Furthermore, he was responsible for concept and design of our company's new web site and Internet presence.

Mr. Schneider was an ever-present factor in the success of all these projects and his business conduct was always exemplary.

His professional background of many years in advertising made him an invaluable source of detailed knowledge in many different areas.

MEMPHIS COMPONENTS

Mr. Schneider's job performance was always above standard.

His work ethics were extraordinary and he always delivered outstanding work.

I was very sorry to hear about Mr. Schneider's decision to return to the East coast but I wish him only the best for his career as well as his private life.
